DMX 512 3Yr IK07 IP65

Square Wall Washer - RGB

Our square wall washer range uses super bright 1 Watt Epistar LEDs, concentrated in a 200mmx139mm grid, for a focused illumination, ideal for **lighting up features and focal points**. This RGB model with **built in controller with over 20 pre-installed programs as well as being DMX512 compatible**, for controls to produce a spectrum of colours and lighting effects. Being IP65 rated in heavy duty anodised aluminium housing for safe operation and efficient heat sinking, fitted with adjustable mounting feet around 180° and looping in/out closed 2/3-pin connectors for **waterproof and weatherproofing**, it is possible to connect up to multiple units in series and sync for both indoor and outdoor use. Our products with regards to hue tolerance and CCT fall within a 7 step MacAdam ellipse, according to standards set out by ANSI to ensure minimal colour variation.
