LED Candle C37/CAL37 - E14 Socket

Decorative lamp with built in driver for retrofit plug-and-play installation suiting common E14 type sockets. Features 360° illumination and up to a 85% reduction in energy consumption and electricity costs. Ideal application includes those chandeliers and similar lighting fixtures in both domestic/commercial environments with **candle replica lamps**. This range is further enhanced by a flame tipped frosted diffuser in the CAL37 variety for added design, **whilst boasting 330lm at only 4 circuit Watts**, recording a lumen efficacy of 82lm/W. White ceramic housing with aluminium heatsink and frosted light diffuser for smooth lumen output.
