

IP65 DC 12V 3Yr

LED in-ground - Single Colour

LED in-ground lights add that sparkle to any contemporary project or feature. Using a 3 pcs of 1.2 Watt high power LED, accent lighting can be mounted in floors, walls and other flat surfaces, with **minimum disturbance to the practicalities of surroundings (ie. walkover)**. Complete series of fittings can be connected via junction boxes. Stainless steel fascia with 5mm tempered glass ensures IP65 waterproofing and corrosion free. Controlled with standard 12V DC LED controllers / DMX512-RGB decoder. Polycarbonate mounting cup for ease of installation.

Product information

Durable with rated life span of +30,000 hours / No UV or IR emissions / CE & RoHS international standards / Environmentally friendly & part recyclable: no mercury or other hazardous materials used / Stainless steel fascia with 5mm tempered clear glass cover / Supplied with mounting cup

Code	Size	Lumen Output	Power Consumption	LED Quantity
SDIG-3W-S	150mm x 140mm	390 - 410lm (White)	3.6W	3pcs
